ELITE ADVERTISING

BE SEEN. BE NOTICED. BE REMEMBERED.

Your studio, in every room in Oxford.

An advertising partnership proposal for **HOTWORX Oxford** from MCTV Elite Advertising — North Mississippi's indoor digital billboard network.

PREPARED FOR ALYSSA FARRELL · HOTWORX OXFORD · AUGUST 2026

YOU SAW ONE OF OUR SCREENS. HERE'S THE REST.

Oxford already spends an hour a visit where our screens hang.

You told us you spotted an MCTV screen in a local business. That one screen has 74 brothers and sisters across Oxford — in the restaurants, salons, and waiting rooms where your future members already sit with time on their hands.

PLAYS PER HOUR, PER SCREEN

Nobody can skip you

These ads can't be paused, blocked, muted, or scrolled past. Your spot plays four times an hour on every screen in your package, twelve hours a day, seven days a week.

A captive, local audience

These aren't passersby with two seconds to glance at a billboard. They're seated customers averaging 55 minutes per visit — long enough to see your message, digest it, and remember it on the drive home.

Built for a fitness brand

Joining a gym starts as a thought that needs repeating. When Oxford keeps seeing HOTWORX everywhere it goes, you're the studio they call.

HOTWORX OXFORD — 24-HOUR INFRARED FITNESS

75 SCREENS ACROSS OXFORD

Everywhere Oxford eats, shops, and plays.

Oxford is the heart of the MCTV network — 75 screens from the Square to University Avenue to Highway 6. We keep viewers watching by mixing ads with local weather, news, trivia, and sports, so your spot lands on eyes that are already looking up.

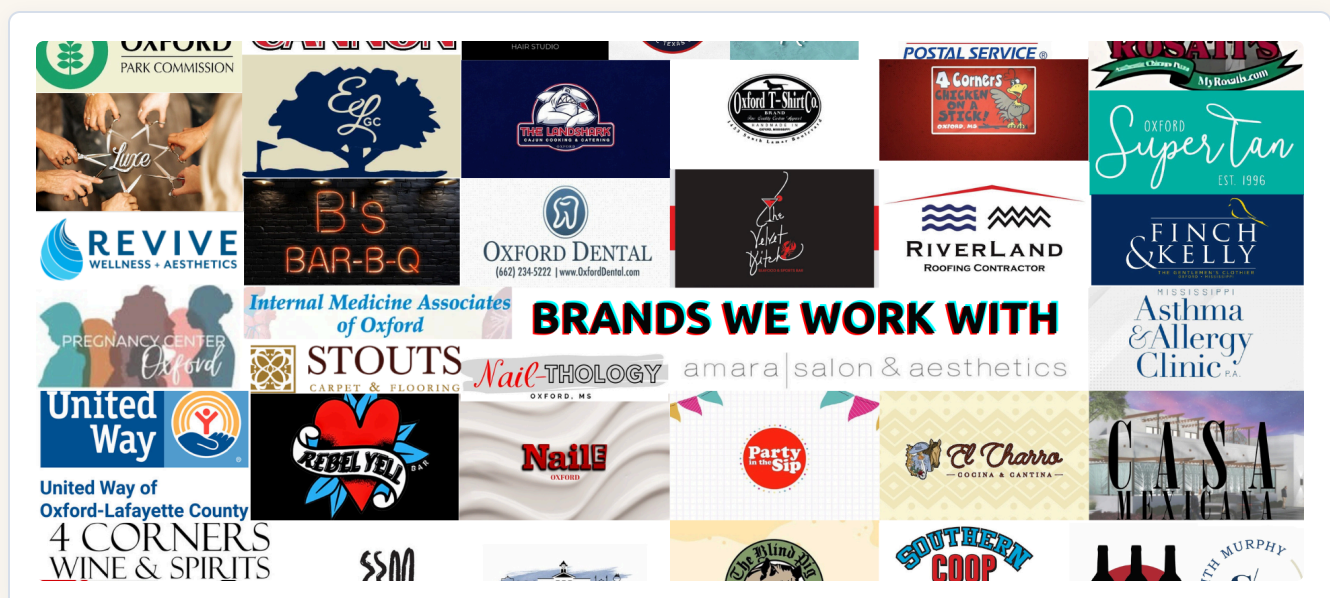

RETAIL — OXFORD SHIRT CO.

CONVENIENCE — 4 CORNERS, OXFORD

DINING — PATIO SCREENS

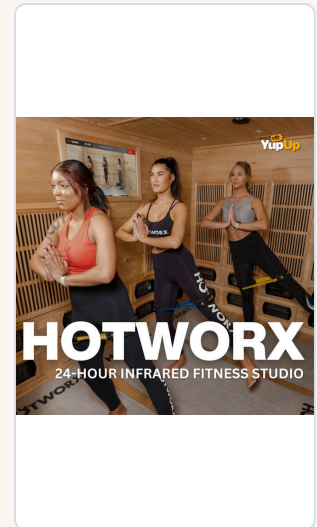

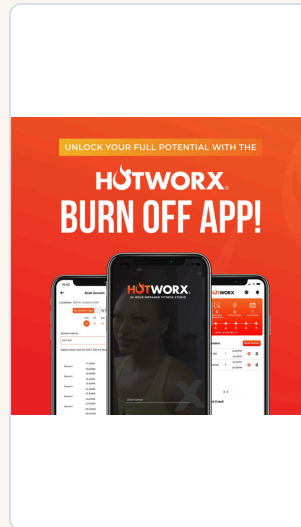

A few of the local names already on MCTV screens. We partner only with reputable local businesses — good company for your brand to keep.

THIS PART IS EASY

Your creative is already done. We'll put it to work.

HOTWORX corporate hands you polished campaign graphics all year long — Summer Body Series, the Burn Off app, bring-a-friend pushes. Today those live on a social feed that gets scrolled past in a second. On MCTV, the same creative plays full-screen, four times an hour, all over town.

Real HOTWORX campaign creative — ready to run on 75 Oxford screens tomorrow.

Free custom design, forever

Want something Oxford-specific? Our team designs your 15-second spot at no extra cost, with fresh versions every quarter to match seasons and promos.

You own every ad we make

Every piece of content we create belongs to you. Run it on social, your website, in the studio — your investment works past our screens.

Three steps. We do the heavy lifting.

1

Pick your package

Choose your screen count. We'll walk the Oxford venue list with you and place you where your future members already go.

2

Hand us your creative

Send the HOTWORX graphics you already have, or let our designers build your spot from scratch. Either way it costs you nothing.

3

Watch it work

Your ad goes live across Oxford, and your NTV360 dashboard shows plays and impressions in real time from day one.
