THE OPPORTUNITY

Starkville's fitness market is competitive, and gym-goers are always looking for their next challenge. Iron & Oak Fitness has the equipment and the energy. Indoor digital billboard advertising puts your brand in front of health-conscious consumers across the entire Starkville market.

■ **Reach Health-Conscious Consumers**

Your ad plays in restaurants, offices, and retail locations where health-minded people spend their time. These are the exact consumers most likely to try a new gym or fitness class.

■ **Campus-Adjacent Visibility**

With 30 screens near Mississippi State campus, Iron & Oak reaches students looking for a gym that is more than just a university rec center. New semester sign-ups start with awareness.

■ **Year-Round Brand Presence**

January resolutions are great, but consistent advertising keeps your gym top of mind all year. MCTV ads run every day, building the kind of awareness that drives memberships in every season.

People in waiting rooms and restaurants cannot skip your ad. They see it multiple times during a single visit, building the repetition that drives action and membership sign-ups.

Community Integration

Your ad appears alongside Starkville's most trusted local businesses. This builds credibility and positions Iron & Oak as a community staple, not just another gym.
