Hosting. MCTV Elite Advertising installs, owns and maintains five screens at Starkville Athletic Club at no cost to the Club, including hardware, mounting, installation, ad creative and quarterly refreshes. The Club receives 8 plays per hour on its own screens and 4 plays per hour across 10 additional MCTV screens in other Starkville venues, at no charge, for as long as it hosts. Either party may end the hosting arrangement on 30 days' written notice; MCTV removes all hardware at its own expense.

Exclusivity covers gyms, fitness studios, health clubs and personal training facilities. It does not cover supplement or nutrition retail, med-spa, wellness clinics or physical therapy; the Club acknowledges 39759 Nutrition and Revive Wellness Clinic – Starkville as existing MCTV host venues outside the covered category. Advertising packages carry the term shown and renew monthly thereafter unless canceled with 30 days' written notice. Creative is owned by the Club and may be used anywhere. Governed by the laws of the State of Mississippi.
